We hope that you all enjoyed your gift basket from Santa. His three Elves Erna, Hilda and Kathie had much fun shopping and assembling them. Thank you Hilda for making your sleighs they are beautiful.

We were fortunate to receive a grant to pay for them from the Responsive Neighborhood Small Grants Program by the City of Maple Ridge and the Vancouver Foundation.

STYROFOAM

As you may know, to help out the environment, maintenance collects the Styrofoam (the recycle trucks will not accept it) and when containers are full we take it down to the depot in our own vehicle and expense.
Things you should know; Styrofoam only, no plastic, no "peanuts", separate white and colours, clean Styrofoam only.
If you have large pieces, instead of filling the container take your Styrofoam, please take it down to the depot yourself, go down 240th St., cross the Lougheed Hwy, cross the tracks continue until you see the large sign follow directions.
Thank you, your maintenance team

LIBRARY TIDBITS

The books will now be filed in alphabetical order by Author. Please refrain from bringing any book donations for the time being.

BOTTLES OF FUN!

I would like to take this opportunity to thank everyone for putting your pop cans and bottles out for us. The money raised will benefit all Residents. Also I would like to thank the crew, Mike Byers, Howie Darrah, Barry Ansel, and Henry Vandelaar, for helping collect and sort the bottles and cans throughout the year, we raised $171.00 in December alone. Thank you to Chuck Chambers for the use of his Pickup truck. Merry Christmas and a healthy and happy new year and all the best for 2021. -Dave Rodway
